QUESTIONS TO ASK

before booking a live band

Are you available on my desired date and time?

Are you a traditional band or an agency?

How long have you been in business?

Can I see a complete song list?

What services are included with the band?

Do you have a sound man or do you mix your own sound?

What lighting do you provide?

Can you provide our stage?

Where is the best place to see live performance video?

QUESTIONS TO ASK

before booking a live band

Do you charge by the hour or by the event?

What is your booking process?

Do you have a stage plot with staging dimensions and speaker placement outlined?

Does the band have liability insurance?

Are there any additional fees for sound, lighting, and technicians?

What is your payment schedule like and how long before the wedding do I need to pay the full amount?

Is there a cancellation policy if I need to reschedule or cancel my event?

Do you have verified reviews that we can read?

How much input do we have on the song selection for our event?

QUESTIONS TO ASK

before booking a live band

How many vendor meals will be required?

How much time do you need to load in/out?

What is your entertainment planning process for a wedding?

How much time do you need to load in/out?

Do you use music stands or iPads up front?

Will you learn new songs for our wedding?

What do you do to help keep the party going during breaks?

Are there travel fees associated with my event? If so, how much and how are they calculated?
